Here is an interview with Tal Eisner, Senior Director of Product Strategy at cVidya, for talkRA podcast 13. You can download the file from here: <http://talkra.com/archives/2134>

Tal told Eric about the new fraud management offerings from cVidya, including one they consider unique: 'sniffing' for evidence of internal fraud. Enjoy the 45-minute long podcast here at talkRA, or you can subscribe to the talkRA podcast for free at the iTunes store.
